FMCA announces 2019 Conventions

Back to Perry in March 2019!

Summer Convention in Minot, North Dakota.

Gillette Plans from our Central Director: There are 50A Full Hook up sites available! We will have our pre-rally right at the Cam-Plex where the FMCA convention will be held. We have reserved 30 spaces and are encouraging you to sign up for the Convention and add the 50A or 30A service to your reservation. The FMCA rally fee is \$225. Then add the electric, water and sewer fee of \$265 (50A) or \$215 (30A). Credit card is acceptable when calling in. The dates of the FMCA Convention are July 18-21. We plan on coming in on July 14 for our pre-rally. **You must call FMCA at 800-543-3622 or 513-474-3622 and make sure you tell them you are with American Coach Chapter and are registering for the rally and pre-rally starting on the 14th of July (call-in registration only for this rally).** This is a first for FMCA and the Chapter call-in is the only way to register. If they question you, tell them to contact Doug Uhlenbrock. You must register with 30A or 50A, with water and sewer, to be parked with the group. We have heard that the 50A spots are going fast so, if you want 50A, please call ASAP. **We will be in these spots throughout the FMCA Rally** at no additional charge. We will not be charging an ACC rally fee for this event.

Please let our Central Area Director know when you register. We have a specific number of sites and she needs to be able to keep up with that. Her email address is dotygraham@mchsi.com.

We will be getting special credentials mailed to us for entry into the lot assigned to us. Entry will only be on the 14th unless you let Doty know you can't be there on that day.

FMCA is excited to announce the dates and locations of its 2019 conventions:
